

Help Worldwide Establishes the Catholic Loyalty Foundation to Support Catholic Loyalty.

The mission of the Catholic Loyalty Foundation is to educate the Catholic Church and associated charities on the fund-raising power of the Help Worldwide program. Through Help Worldwide, charities and individual churches are able to support themselves and ensure continued success.

All donations made to the Catholic Loyalty Foundation go towards the implementation of the Help Worldwide program for churches and Catholic Charities. These donations, all tax-deductible, ensure that the Catholic Church will have a perpetual fundraising mechanism that allows them to flourish.

The Catholic Loyalty Foundation is proud to use the Help Worldwide program to help the Catholic Church.
